### Registration Information

This is a privately hosted class session. For complete class details, pricing information or to register for the class, please contact:

**Bormann Marketing**  
1212 5th Street South  
Hopkins, MN 55343  
Contact: Glenn Manske  
glenn@bormann.com  
Ph: 952-835-9161

While not required, class attendees are **strongly encouraged** to bring their laptop computers with Smaart measurement software installed (fully featured demo versions are available online at [www.rationalacoustics.com](http://www.rationalacoustics.com)) and a stereo line level input (either via a built-in sound card or external preamp unit).

The measurement signals used in the instruction of the classes will be made available to the attendees via a stereo (1/4" TRS / Mini) distribution system. Bringing complete measurement rigs (including mixers, mics, etc.) is not necessary.
